

# KELVIN DRISCOLL

for  
SANTA CLARITA CITY COUNCIL

VOTE NOVEMBER 3RD

**Santa Clarita is my home. It's a city where community, family, and children are most important. My parents inspired me to work hard and give back to others.**

Now, I'm watching my little girl grow up, and I want the best for her just like my parents wanted for me. I want a city where my kids know they are supported and valued; a city where they feel safe to play, go to school, and dream big!

**This is why I've dedicated my education** and career to public service and to improving the quality of life for my community.

**I'm ready to serve you** and would be honored to represent you on the Santa Clarita City Council. Vote for me on November 3rd. Let's work together to make this vision our reality.

**I've studied at USC**, The American University, and the University of Puerto Rico. I've been an adjunct professor at Long Beach Community College and USC.

**I've worked** with the State Education Commission on behalf of Assembly Speaker Karen Bass. I've also worked with Los Angeles County Supervisor Janice Hahn to support the wellbeing of children and families.

Currently, I work as the Program Director for the Los Angeles County Department of Public Social Services, the largest social services agency in the United States **servicing over 10 million residents in 88 cities.**

**Now, I'm ready to work harder and give more:**

- ✓ Realizing racial equity in our city; not just in words, but in representation
- ✓ Accountability in policing, including the mandatory use of body cameras
- ✓ Addressing the public health and economic impacts of the COVID-19 pandemic
- ✓ Solving our city's homeless and housing affordability challenges
- ✓ Investing in our infrastructure and our residents
- ✓ Crafting a vision for the future of our city

I'm ready to serve you and would be honored to represent you in the Santa Clarita City Council.

**Vote for me on November 3rd. Let's work together to make this vision our reality.**
